

Professional Designation Workshop

Have you been "putting off" getting your designation? All of you "CEO's" - do you qualify to take the CSEO test and you just never seem to make the deadline to apply? **NOW IS THE TIME!** Come and join us and prepare for the test! We will go over sample problems, multiple choice and true/false questions and, of course, a mock oral exam. Workbooks are included and are different for each designation, so be sure to identify which test you are planning to take. Don't forget your handheld calculators and No. 2 pencils! (Bring the calculator you plan to take the test with – it is VERY important to be VERY familiar with your calculator).
